	LIAISON Sam Hoskinson, NSC staff, called to get a status on the follow-up of the Senate Foreign Relations Committee referral to CIA for an assessment on the Middle East arms balance. I informed him of the developments with the Committee and also said I thought if the matter came up we would decline to participate in a group briefing of key Senate staff aides.	
₩	Committee on Intelligence, called concerning the status of one of the investigations he is conducting for Senators Robert Morgan (D., N. C.) and Harrison Schmitt (R., N. Mex.) of the Senate Select Committee on Ethics. I explained where we were and that it would be important to cover our cooperation in a Memorandum of Understanding. He was agreeable but obviously wants to move quickly.
